

Anti-NALP5 autoantibodies

Prevalence

Table 1 Diseases associated with anti-NALP5/MATER

Disease	[%]	Authors
Autoimmune polyendocrine syndrome 1 (APS1)	58	Brozzetti et al. 2015
Addison's disease	7	Brozzetti et al. 2015
Premature ovarian insufficiency (POT)	0	Brozzetti et al. 2015
Healthy persons	0	Brozzetti et al. 2015

Literature
